*MedsYourWay is not insurance. It is a drug discount card program that compares the drug discount card price for an eligible medication (up to a 90-day retail supply based on plan benefits) at participating in-network retail pharmacies to the member's benefit plan cost share amount and then applies the lower available price. Eligible medications are subject to change, and prescription prices may vary by location. Not all retail pharmacies participate with MedsYourWay. MedsYourWay is administered by Prime Therapeutics, LLC, a separate pharmacy benefit management company contracted by BCBSIL to provide pharmacy benefit management and related other services. In addition, contracting pharmacies are contracted through Prime Therapeutics. The relationship between BCBSIL and contracting pharmacies is that of independent contractors. BCBSIL, as well as several independent Blue Cross and Blue Shield Plans, has an ownership interest in Prime Therapeutics. MyPrime.com is an online resource offered by Prime Therapeutics, LLC.
